Find out who is suing the City of Pacifica now. This time it's for sewage leaks at the Calera Creek wastewater treatment plant. The group is called Our Children's Earth: [OCE FOUNDATION](#)

OCE lawyer Chris Sproul joins Lionel Emde (who is [SUING](#) the city to force trash rate hike noticing under Prop. 218) on Ian Butler's *Wavelength* show Monday, May 24 at 6:30 p.m. (cable channel 26 and online in real time at [PCT26](#)).

I for one find it interesting that the people who complain about this city not having any money and wanting to raise taxes to cover expenses are mostly the same ones who are forcing the city to defend itself against these lawsuits.

How much will Pacifica have to pay its lawyers to defend this suit? How much will it cost us Pacificans in the end?

I understand what Mr. Emde is doing and appreciate it, but ultimately it will cost us all, maybe even more than a garbage rate hike will.
